## CLAIMS

We insure packages and guarantee safe arrival within the United States, but cannot be responsible for bulbs after arrival. We use great care in segregation of varieties but if any should prove untrue to label we will, upon proper proof, replace them.

Only well-developed, healthy roots of blooming size are used in filling orders. Iris roots vary greatly in size according to the variety.

We issue no wholesale list. Our wholesale prices are based on quantity orders. Where stock permits we make a discount on high-priced single varieties to proven dealers only.
